

NOISE

AND

CONSTRUCTION/DEMOLITION/RENOVATION

Contractors are responsible for complying with the Chicago Municipal Code. They must inspect for asbestos, control dust, and recycle C&D debris. They must also abide by the time restrictions that limit noisy activities.

In general, work on privately owned projects may not take place during the following hours:

- **8:00 p.m.–8:00 a.m.**
No motorized equipment within 600 feet of any residence or hospital
- **10:00 p.m.–7:00 a.m.**
No loading, unloading, or handling of building materials such as to create a noise disturbance in a residential district

Be mindful of neighbors, avoid fines, and abide by the noise ordinance.

Conduct noisy work only during the specified daytime hours.
