

DEPARTMENT OF WATER MANAGEMENT
CITY OF CHICAGO

February 14, 2018

The Honorable Ameya Pawar
Alderman, 47th Ward
4243 N. Lincoln Ave.
Chicago, IL 60618

**RE: DEPARTMENT OF WATER MANAGEMENT
INFRASTRUCTURE IMPROVEMENTS IN YOUR WARD
N. WOLCOTT AVE. – W. Lawrence Ave. to W. Montrose Ave.
W. SUNNYSIDE AVE. – N. Ravenswood Ave. to N. Winchester Ave.
W. WILSON AVE. – N. Damen Ave. to 200 feet east of N. Ravenswood Ave.**

Dear Alderman Pawar:

The Department of Water Management is pleased to inform you of its intent to construct a new Water Main project in the 47th Ward.

NPL Construction Company will install approximately 4,786 feet of 8-inch water main at the subject project location. As part of this project the east half of N. Wolcott Ave. and the north half of W. Sunnyside Ave. will be resurfaced along with the repair of damaged parkway and sidewalk.

Water main installation is anticipated to begin in late February 2018 with completion of this project in mid June 2018.

This project is being coordinated with CDOT and their department will complete all final restoration of W. Wilson Ave. following water main construction.

After the new water main has been installed, the described area will experience an increase in the availability of water for fire protection and domestic use. This project is part of Mayor Emanuel's commitment to Chicago citizens to maintain and upgrade Chicago's infrastructure.

Every effort will be made to expedite project completion and minimize the inconvenience to your constituents. Should you or your residents have any questions regarding the progress of this project, please contact Mr. Hans Krueger at the Bureau of Engineering Services at 312-742-3611 or Hans.Krueger@CityofChicago.org.

Very truly yours,

Randy Conner
Commissioner
